Dear Baseball Players & Fans,

On behalf of the City of Joliet I would like to welcome you to the 2024 IHSA 3A & 4A Boys Baseball State Finals. We are excited to host your team, coaches, parents, and fans to Duly Health & Care Field, home of the Joliet Slammers.

It is a welcome sight to see high school baseball teams from all over the state gathering again in downtown Joliet for two days of competition, athleticism, and sportsmanship.

While you are here, I hope you will take some time with your family, friends, and team to explore our city. Downtown Joliet is home to several unique attractions, eateries, and entertainment venues and just beyond our downtown lies historic neighborhoods, acres of forest preserve and trails, and retailers waiting to be discovered. Please take a few moments to review all Joliet has to offer by visiting [www.visitjoliet.com](http://www.visitjoliet.com).

Once again, welcome to Joliet and Duly Health & Care Field! Good luck to all players, coaches, and fans. Enjoy your time here in the City of Champions.

Sincerely,

Terry D' Arcy  
Mayor
